

# Directions from Jugiong to Trial Site

## “Gunnong Jugrawah”

1. From the Jugiong Reserve, turn right (east) along the main road through Jugiong.
2. At the next corner turn right (south) into Bundarbo Road (there is an old service station on the corner). Set odometer to zero at this corner.
3. At 0.2km cross a concrete bridge across the Murrumbidgee River. Continue ahead.
4. Near a large sand quarry there is fork in the road. Take the left hand fork (which is more or less straight ahead).
5. At 5.2km cross a cattle grid. Continue ahead. Beware of cattle on the road sides from this point on.
6. At 7.2km turn to the right into Hopewood Road (the bitumen on Bundarbo Road ends a few metres past this intersection so if you go onto the dirt you have missed the turn).
7. Continue down Hopewood Road. At 8.2km the road will change from bitumen to dirt.
8. Continue along Hopewood Road which winds its way past several houses. Please be aware of people, stock and dogs around these houses.
9. At 15km you will reach the shearing shed on the left which is the central point of the trial site.
